

Sea Cliff Cottage

Minister Field Road, Stonington, Maine

Follow Rte 15 south all the way in to downtown Stonington. Initially you will be on Main Street. Go **STRAIGHT** past the Stonington Opera House (**NOT** right) which will become West Main Street. Shortly thereafter (and after the Post Office) the road takes a 90 degree turn to the right (a little green cottage will be to your left). At the top of that small hill the road will form a "T", you will go **LEFT** to stay on West Main Street (Highland Avenue will be to the right, and the Pres du Port Bed & Breakfast will be directly in front of you). Go to the top of the hill (passing Greenhead Ln) and go **LEFT** on to Minister Field Rd (if you reach Allen Cove or Moose Island, you've gone too far). Take the **SECOND** drive to the **RIGHT** to Sea Cliff Cottage (the Warner Home).
