-  Stonington Sea Products
-  Public Beaches

**Deer Isle: Important locations helpful during your stay. Much more area info available on maps and booklets widely available around the island.**

**Capt'n Avery's Place:** Follow Rte 15 to Deer Isle Village, turning right at town center on to Sunset Road/Rte 15A. Shortly after passing Mill Pond on left, and Northwest Harbor on right, take sharp left to stay on Sunset Rd. Capt'n Avery's will be shortly down on right, beside large pasture - at 25 Sunset Road.
