

**Harbor View Cottage:** Follow Rte 15 nearly in to downtown Stonington. Shortly after taking the 90 degree turn towards downtown, take the second left on to Seabreeze Avenue. Go to 21 Seabreeze Ave (7th home on the right, just after the light blue victorian). Harbor View Cottage is light green with a front porch. There is a small driveway on the right side of the home. One additional car can park directly in front of the house, very close to the granite garden wall. Additional cars may park on the street, or arrange paid parking nearby for a nominal parking fee.
