

Victorian Cove Cottage: Follow Rte 15 nearly in to downtown Stonington. Shortly after taking the 90 degree turn towards downtown, take the second left on to Seabreeze Avenue. Go to 19 Seabreeze Ave (6th home on the right). Park in the driveway or along the gravel area along the front of the home. Do not park in the parking spaces to the right of the lilac bushes along the driveway. That area is for private parking and you could be towed.
